Road Closures and Restrictions

Dear residents and visitors,

We would like to inform you that, from **11 to 13 September 2026**, Karlovy Vary will host the **World Championship in Olympic-distance triathlon** for the second time. This is the most important event of its kind in the Czech Republic and Central Europe. To ensure the highest possible standards and safety for the world's elite athletes as well as the general public, the event requires a number of traffic restrictions.

Our aim is to minimise the impact of these restrictions on life in the area surrounding the venue. Please follow the instructions of the Karlovy Vary Municipal Police, the Police of the Czech Republic and the event marshals, who have been fully briefed on the entire sporting event. Thank you very much for your understanding, and we warmly invite you to watch this top-level triathlon race.

If you have any questions or suggestions, please contact us using the telephone number below.

Road Closures and Restrictions
